### Board of Trustees Meeting of October 24, 2017 Information Technology Report

---

#### **Broker Dashboard Release**

The broker dashboard was released on October 2<sup>nd</sup>. We will be hosting a training session on the dashboard in the next couple of weeks.

#### **RFP for Document Management System**

The IT department started drafting the RFP for the document management system. We will keep you updated as we move forward with this process.

#### **Risk Management Dashboard**

Shadi Hermina is in the process of testing the iOS application with the Client Relations and Loss Control Departments. This dashboard has had many revisions and will be fully functional before end of year.
