Board of Trustees Meeting of March 28, 2018 Information Technology Report

Mount Laurel/Marlboro Data Storage Hardware Upgrade

The Information Technology Department will be upgrading the data storage hardware in the Mount Laurel office between 3/13/2018 and 3/19/2018. The hardware will be updated and moved to the Marlboro office.

Document Management RFP

NJSIG has been working through the RFP process for the document management system for the past few weeks. The document management RFP committee will review the proposals and present a recommendation at the March board meeting.

Jeff Cook
