## Board of Trustees Meeting of June 17, 2020 IT Report

---

### **Disaster Recovery Location**

The lease for NJSIG's Marlboro office expires in February 2021. The IT department is reviewing NJSIG's disaster recovery plan to determine if this office continues to meet NJSIG's needs. NJSIG is exploring many options to ensure no disruption of service in the event the building in Mount Laurel becomes unusable.
