Board of Trustees Meeting of September 21, 2016

Human Resource Report

I have had the pleasure of assisting our Loss Control Department on several member visits. Tony Jones, Loss Control Manager and I presented at the Trenton Board of Education New Hire Orientation. We covered harassment and safety topics and our presentation was well received.

NJSIG's annual performance review period was recently completed. The annual review process continues to provide another opportunity for employees and their leaders to assess their goals and objectives and future professional development. Rowan College presented another professional development course, refresher course on communication, for NJSIG staff.

NJSIG is happy to announce the hiring of Stephen Tucker as Assistant General Counsel. Stephen joined NJSIG after several years working in the Division of Law of the Attorney General's Office .

Should you have any questions regarding any of the above issues or any other of the Group's Human Resources matters I am always available.
