**New Jersey Schools Insurance Group
Board of Trustees Report
March 16, 2016**

July 1st, Renewal Work:

1. We have been in the market for a month now and have just about finishing the process of obtaining quotes on all lines of business. As of this writing, we have quotes on casualty lines, nearly all of property, cyber, workers compensation, and equipment breakdown. We are still finalizing E&O, crime, terrorism, and some pieces of the property program. I hope to have this concluded before that time and will be able to send out a complete report prior to the meeting. There may be a chance that I will need to bring the report to the meeting for the trustees approval. In the interim, I will be keeping staff apprised on a daily basis, of the developments of the program.

Please feel free to let me know any questions that you may have in the interim.

Regards,

Dave Ritch
