Board of Trustees Meeting of November 18, 2015 Human Resource Report

The Group is pleased to announce the promotion of Karen Olsen to Supervisor in our Workers' Compensation area. Karen has been with the Group for eight years and has more than 30 years' experience handling claims.

We are pleased to announce we have filled one of the openings in the Underwriting Department. Ms. Carol Conniff most recently worked for Travelers and Campion Wright Insurance. Her experience we believe will be an asset to our members and clients for years to come.

We continue to conduct interviews for the remaining open positions within Claims, IT, and Underwriting and hope to have those filled in the near future.

The Group has progressed to the final stages of our move. I'd like to thank members of the Administrative Department: Joanne Gunter, Rebecca Iglesias, Renee Johnson-Payne, and Sue Williams for all of their hard work and dedication to keep the process moving along in an organized manner. The final stages of notifying all of our customers and clients of our move, transitioning office equipment, and the transition of employees to the new facility will take place over the next few weeks.

On November 20, 2015 I will have the opportunity to assist our Loss Control Department with a presentation offered at Black Horse Regional High School covering Affirmative Action Officer Training and Harassment. I am scheduled to assist with a similar training in December.

Should you have any questions regarding any of the above issues or any other of the Group's Human Resources matters I am always available.
